

HARVEST & HABITAT WALK THURSDAY, AUG. 25

5:30 - 7:30 p.m.

Meet at Holland Town Hall parking lot

Landowners and those managing forests are invited to join Dan Donahue, Director of Land Protection & Stewardship, for a walk through a harvest area outside the core Norcross Wildlife Sanctuary, where practices consider drought tolerance and diversity of tree species in light of a changing climate. Learn about managing woodlands to promote wildlife habitat for the long term.
